Subject: Acceptance of Amended Notice of Intention to Conduct Small Mining Operations, Cornerstone Industries, Inc., Highland Mist/Pan Green Mine, S/021/0035, Iron County, Utah

Dear Mr. Flippo:

The Division of Oil, Gas and Mining accepts the amendment to change the address and mine name for the Highland Mist/Pan Green project. The Division will now refer to this project as the Highland Mist/Pan Green mine. This change does not require a change to the surety amount. Enclosed please find a copy of the accepted amended pages for your records.

Please note that this amendment is for the address and mine name change only. You will still be responsible to fulfill all commitments in the original Notice of Intention to Commence Small Mining Operations, and to meet all operational and reclamation standards. If additional amendments are needed, please provide the necessary documentation using form MR-REV-SMO/EXP, which is available on the Division's web page.

Please contact the lead inspector, Lynn Kunzler, at 801-538-5310 or me at 801-538-5261 if you have questions concerning this action. Thank you for your cooperation.

Sincerely,

Paul B. Baker  
Minerals Program Manager
